Re:
- Petition for Declaratory Order with Verification of Orangeburg County Solar Project, LLC and Orangeburg South Solar Project, LLC both Wholly Owned Subsidiaries of Savion, LLC
- Docket 2021-114-E

David:

The undersigned represents Carolinas Clean Energy Business Association ("CCEBA"). I am addressing this correspondence to you, because you have appeared as a Hearing Officer in the above-referenced Docket.

You may recall that I filed a Petition to Intervene for CCEBA on October 21, 2021. My Petition to Intervene contained (**i**) a request to intervene on a going forward basis and (**ii**) a request that CCEBA be allowed to promptly file a proposed Order, as was done by several parties in this Docket.

At the time of my filing of the above-described Petition, (**i**) the Record in this matter was open (**ii**) CCEBA did not request any delay in the Docket (**iii**) the Commission had not established a deadline for intervention in this Docket and (**iv**) no party would be prejudiced by granting the relief sought in CCEBA's Petition.

As of this writing, there has been no opposition filed concerning our Petition. Accordingly, I am respectfully requesting that you issue a Directive Order allowing CCEBA to Intervene in this Docket and allowing CCEBA to file a proposed Order and this correspondence is,

Respectfully Submitted,
